

CERO CERO DRY

EMULSION RECLAIMER

DESCRIPTION:

CERO CERO DRY POWER is a concentrated emulsion reclaimer powder for decoatin of polymer - based direct emulsions and capillary films such Diazom and SBQ-sensitized emulsions

APLICACION:

Apply and distribute the CERO CERO in solution with a brush evenly on both sides of the screen, which has been carefully cleaned of ink residue. Rub the screen gently with a brush to dissolve the emulsion. After approximately 2-3 minutes rinse thoroughly with a strong water spray.

Ensure that the CERO CERO in solution does not dry on the screen, as this can lead to a hardening of the emulsion and residues are extremely difficult to remove.
